Hi Elizabeth and Angela.

I did a document compare to created track changes versions of your updates – please find them attached for your records.

Also, I am in the process of compiling all of the Responses to Peer Review Comments into a single document.

Ex. 5 Deliberative Process (DP)

Thanks,

Jose

Hi Jose,
I misunderstood the directions in the email as I was under the impression that you wanted a clean version of the documents. I do not have a complete track changes version.
Thanks,
Elizabeth

Hi Elizabeth.

I see these don't have track changes. We can do a document compare to figure out where the changes were made, but I thought I would ask first if you had track changes versions.

Thanks,

jose

Hi Elizabeth and Angela.

Our contractor has compiled the next update of the entire report incorporating all edits thus far. If you would like the compilations of these, I'll be happy to send them along.

As we plan to prepare for the next report update, it would help us greatly if CDC/ATSDR could add any edits to the attached updated clean individual Sections (ES, 2, 3, and 4).

Thanks kindly, and please let me know if you have any questions.
